A FRONT BRAKE LEVER GUARD IS MANDATORY FOR ALL BIKES ON TRACKDAYS, IF YOU DO NOT HAVE A LEVER GUARD SECURELY FITTED YOU WILL NOT BE ALLOWED ON TRACK, NO REFUNDS WILL BE GIVEN.

PRE- REGISTRATION	<p>Complete your registration/sign on at signon.nolimittrackdays.com if you are attending a MSV circuit you will be diverted through to MSV's site specific to your day/evening from our link.</p> <p>This must be completed before you can receive your wristband at the track, we would suggest that you try the link sooner rather than later.</p> <p>If you have other riders on your booking you must forward all this information to them as we will not have their contact details to send directly. They must use their own email address to register for the event. The system will not allow</p>
BRIEFING	<p>The briefing is an online video, it cannot be accessed until 24 hours before the event, you must return to signon.nolimittrackdays.com for your briefing. You will not be able to collect your wristband without having completed this step.</p>
GATE OPENING	<p>Circuit gates for evening participants will open around 15:30, please do not block the roadways and plan your arrival for this time, admission to the circuit will be monitored as riders will still be restricted to one over 16 years old helper assisting them. Children cannot be left unattended at the track therefore they are not permitted at the circuits currently. Track activity commences at 17:30.</p>
WRISTBAND COLLECTION	<p>In the outer paddock office prior to the circuit tunnel to the inner paddock from 16:00-17:00. Please allow enough time when you arrive at the circuit to register with our administrator and collect your wristband prior to track activity commencing. At all MSV circuits you must present a full DVLA motorcycle road licence or 2021 valid ACU licence.</p>
LOWER PADDOCK & NOISE TESTING	<p>There will be no access to the garages for evening participants until after the evening has started at 5:30pm. All participants will be based in the lower paddock, and are advised to remain there for ease, as will the No Limits staff for wristband collection 4-5pm who will be based in the paddock office next to the scrutineering bay and opposite the tunnel. At 5pm they will move back to the pit lane.</p> <p>The tannoy will be fully functioning and riders will transit through the tunnel to behind the garages and then down the pit lane in good time for your session. There are power posts in the lower paddock which will be active, for some that need to plug in, however we do advise that you bring your own generator should you require power.</p> <p>Static noise testing will be held at opposite the signing on office in the outer paddock from 16:00-17:00, the noise limit is 102db.</p>
SIGHTING LAPS	<p>Arranging separate sighting laps may take additional time, therefore we ask for your co-operation attending them at the beginning of the day.</p>
END OF DAY	<p>The Circuit will close at 20:30</p>

REMEMBER: YOU MUST NOT ATTEND AN ACTIVITY IF YOU HAVE ANY SYMPTOMS OF COVID-19, OR YOU ARE REQUIRED TO SELF-ISOLATE UNDER GOVERNMENT GUIDELINES. PLEASE NOTIFY US AS SOON AS POSSIBLE TO DISCUSS RE-BOOKING ARRANGEMENTS.
